

Hello Friends,

We are so glad you are coming to stay at our fab hotel.

You'll find a soft dog bed, dog towel, water bowl and a bag of treats for you.

There are a few things we are not allowed to do and ask that you do the same:

- Please don't sleep on the bed or furniture – you have your own!
- Ask your family not to leave you on your own in the room – it can be scary and we don't want to be blamed for any damage or being too loud.
- If you come in wet from outside, hopefully from a paddle, ask your family to dry you with our nice dog towels. That way you don't get into trouble for shaking over the walls.
- Please get your family to clean up after you around the hotel grounds and dispose of it in the special bins provided.
- We're allowed to go with our Hoomans into the Wild Brownie Bar while they have some food or drinks, or play games in the Drawing Room and the Whisky Bar.

Don't forget you can ask our staff to get you a drink of water if you fancy one.

We are not allowed in the Estate Room or Rannoch Larder but trust us – the Wild Brownie Bar is much more fun for us.

If you'd like to take your dog towel home with you, these are available to buy at Reception for £25.00.

Lastly, enjoy yourself! There is so much to see and do, with plenty of great walks. Make sure to tag the hotel in any of your pictures, we love making new friends.
